ECS 2013

The EUROPEAN COATINGS SHOW 2013 is coming up and will take place March 19 - 21 in Nürnberg, Germany.

The European Coatings Show is the world's leading exhibition for the paint and coatings industry, and is the meeting point of the innovation leaders and shows the latest developments in nanoparticles, pigments, additives, production equipment or application equipment.

Yamada Europe will be present at this exhibition, and will share a booth with our distributors Bibus GmbH and Guth Handelsvertretungen.

YAMADA Europe BV would like to invite you, your colleagues and other contacts to visit our booth, where you can meet the Yamada sales team and discover our product lines our latest pump developments and innovations.
